

Transitional Housing Review Process

For Greek chapters to be able to utilize the University's Transition Policy the following process must be utilized.

Each request will be evaluated on the following criteria:

1. Recognized Greek Organization
2. Community relations program
3. Chapter discipline record
4. Chapter academic record
5. Chapter internal standards process to ensure adherence to codes, policies, and community standards
6. Chapter record with community/surrounding neighborhoods
7. Letter of support from neighborhood association
8. Complete property description with proper zoning for proposed use
9. Demonstration of support from alumni, house corporations, and national organization
10. Good standing with the University, IFC/Panhellenic/NPHC
11. Demonstrated need for specific location requested

The chapter president and advisor will meet with the staff from the Dean of Students Office and the Greek Life Office prior to meeting with the neighborhood association. The Dean of Students staff will review and evaluate the chapter's proposed presentation.

The final request for Transitional Housing including neighborhood endorsement will be submitted to the Dean of Students of review and certificate of Transitional Housing.
